

SECURI-WALL

ENHANCE SECURITY WITH SECURI-WALL'S PRECAST SOLUTIONS

At SECURI-WALL, we specialise in providing fast, durable and cost-effective precast concrete security walling solutions across South Africa. Our patented system enables rapid installation without compromising on strength or quality.

OUR OFFERINGS INCLUDE:

- **Precast Concrete Security Walls:** Engineered to withstand winds up to 120km/h, with column/wall heights reaching 8.4m on request.
- **Customisable Structures Units:** Including mini factories, agricultural units, garages and airplane hangars.
- **Rapid Installation:** Up to 450 linear meters per week.

WHY CHOOSE SECURI-WALL?

- High-tensile prestressed steel and 50 MPa concrete construction.
- Tailored solutions for residential, commercial, and industrial applications.
- Comprehensive service from design to installation.
